

E-Waste Recycling Certificate

Lumon Industries

Issue Date: 10th October 2023

Job Number: 12345

Site: 1 Infinite Loop, Sydney NSW

Weight Recycled

635 kg

Estimated Carbon Offset: **7,874 kg CO²**

This certificate has been issued by G1 Asset Management as formal confirmation that all assets and equipment received under Job Number 12345 have been disposed in full accordance with the R2v3 and AS/NZS 5377 Recycling Standard.

Carbon offsets have been calculated based on the weight and type of e-waste recycled. Figures are based on the EMEA emissions data published by the European Environment Agency.
